Kinesiology and Health Curriculum Guide: Level 1 (Major Code: PKIN)

Effective: October 1, 2012 – September 30, 2013

Physical Education Major
A major in Kinesiology Pedagogy (Physical Education) is attached to a Michigan Secondary Teaching Certificate for students seeking careers in teaching K-12 Physical Education. Students are required to have an additional minor for teaching in grades 6-12 (see pages 5-8).

Health Major
A major in Health is attached to a Michigan Secondary Teaching Certificate for students seeking careers in teaching Health Education in grades 6-12. Students are required to have an additional minor for teaching in grades 6-12 (see pages 5-8).

Secondary Education
The program for Secondary Education consists of University General Education Requirements (Competency Requirements and Group Requirements), College Requirements, a teaching major, a teaching minor, and a sequence of professional education courses including one semester of pre-student teaching and one semester of student teaching. Physical Education majors will have an additional semester of student teaching to meet the requirements for K-12 certification in the major. The policy of the College of Education is to provide teaching experiences in both an urban and a suburban setting.

College of Education Level 1: Completing University & College Requirements
Admission to the College of Education is based on two levels. Students are directly admitted to the College of Education Level 1 from high school or another institution of higher learning by completing an admission application to the University, selection of a College of Education program on the admission application, and acceptance to Wayne State University. Level 1 students are working to fulfill the requirements found on pages 2 through 4 of this guide, which includes General Education Requirements, College Requirements, and requirements for admission to Level 2. Students in Level 1 also begin taking courses in their teaching major and minor.

College of Education Level 2: Completing the Major and the Professional Education Sequence
Admission to the College of Education Level 2 program requires a separate College application, which is available in Room 489, College of Education or online at http://coe.wayne.edu/as/admissions.php. Students complete the Level 2 application when all Level 2 admission requirements have been fulfilled (see page 4). Admission to Level 2 is not competitive. Students meeting all requirements will be admitted. Students in Level 2 complete their major and the Professional Education Sequence.

Important Restrictions
- No grade below a “C” may be used to meet College Requirements or courses in the major, minor, and the Professional Education Sequence. Note: All students must receive a “C” or higher in Basic and Intermediate Composition if these requirements are completed or transferred in Fall 2008 or thereafter. A grade of “C-“ is not acceptable.
- Not more than 64 semester hours from a two-year school or schools will apply toward graduation.
- This curriculum guide is subject to change based on WSU start date.

*For more information about Qualifying, Placement, and Proficiency examinations, contact Testing, Evaluation and Research Services in the Student Center Building, Room 698, 313-577-3400; [http://www.testing.wayne.edu](http://www.testing.wayne.edu).*
In meeting group requirements, please note that a given Subject Area Code (e.g. ANT, HIS, PS, etc.) may not be used more than twice, that a course must be at least three semester hours to meet the requirement, and that courses may not be taken on a Passed/Not Passed basis.

Where a choice among courses is possible to meet Competency Requirements, Group Requirements, and College Requirements, the College of Education recommends those courses that would also fulfill a requirement for a major or minor in that subject. Group requirements for Life Science, Laboratory, and American Institutions are not found on this page and are fulfilled by College Requirements listed on page 4.

## Subject Area Methodology Courses

- In addition to completing all content courses in the minor, one method course is required in the subject areas listed below (except Social Studies Education).
- Method courses are restricted to College of Education Level 2.

### English Education

- EED 5200 Methods of Teaching English: Grades 6-12

### Foreign Language Education (6-12)

- LED 6520 Teaching ESL/Foreign Language Methods I

### Mathematics Education

- MAE 5150 Methods and Materials: Secondary Mathematics

### Science Education: Single-Subject

- SCE 5060 Methods & Materials: Secondary Science I

### Social Studies Education: Single-Subject (both courses are required)

- SSE 6710 Methods & Materials: Secondary Social Studies
- SSE 6720 Teaching the Interdiscip Knowledge of Social Stu.

### Speech Education

- COM 6060 Teaching Communication at the Secondary Level
Among courses enclosed by a border, choose one.

**SCIENCE MINORS: SINGLE-SUBJECT**

- Some science courses may require advanced courses in mathematics or science. Placement testing may also be required for courses in mathematics and chemistry. Please consult the Bulletin for prerequisite requirements prior to registering for science and mathematics courses.
- Students are advised to begin fulfilling the requirement in mathematics as early as possible.
- The minimum credit hour requirement for Single-Subject Science Minors does not include the additional requirements in lab safety (except in the Chemistry minor) or mathematics.

Honors Program: For information on the Departmental Honors Program, please contact Liza Lagman Sperl, Academic Advisor at (313) 577-3030 or through e-mail at ab8898@wayne.edu. The Honors College is located in 2100 Undergraduate Library.

PUBLIC ACT 96 of 1995: It is a criminal offense to use, or attempt to use, a college or university transcript that is fraudulently obtained, or forged, or to use other fraudulent credentials to obtain a teacher, school administrator, or school psychologist certificate or to obtain State Board approval.

PUBLIC ACT 68 of 1993 Sec. 1230: This act requires public and non public schools to conduct a criminal history check of new teachers, school administrators, school psychologists and other personnel required to hold State Board of Education approvals. Students interested in becoming certified teachers must supply a statewide criminal history check prior to admission to the College of Education and again prior to applying for certification.

If you have criminal background issues, please provide a narrative describing the incident(s) from your perspective for review by a committee in the College of Education. If you do not provide this information at the time of application, your admission/certification will be delayed.

• Have you ever been convicted of a felony?
• Have you ever been convicted of any other offense?
• Have you ever had a professional license or certification denied, suspended (for cause) or revoked?

A criminal history check, by name, without fingerprints may be accessed for a fee at http://apps.michigan.gov/ICHAT/

Any person seeking admission to a teacher certification program who has been convicted of any offense must provide certified copies of all documents relative to his/her conviction, including a “Judgment of Sentence”. This document may be obtained from the court where the matter was adjudicated. After review by the College of Education Committee, the applicant will be notified in writing of the Committee’s decision.

Note: The State Board of Education may refuse to grant a teaching certificate to an applicant convicted, as an adult, of an act of immoral conduct contributing to the delinquency of a child, or a felony conviction.

PUBLIC ACT 18 of 2003 Sec. 1531d.: This act states that “beginning July 1, 2004, the superintendent of public instruction shall not issue an initial teaching certificate to a person unless the person presents evidence satisfactory to the superintendent of public instruction that the person meets the following: Has successfully completed a course approved by the department in first aid and cardiopulmonary resuscitation… and holds valid certification in these topics issued by one of the following organizations approved by the department [Michigan Department of Education]:”

- American Heart Association • American Red Cross • American Safety and Health Institute • Emergency Care & Safety Institute
- Lansing Area Safety Council • Medic First Aid • Safety Council of Southeast Michigan

Students must submit the following documentation to the College of Education when applying for teacher certification (all of the following must be current):

- Certification in Adult CPR • Certification in Child CPR • Certification in First Aid

Certification in automated external defibrillation (AED) is recommended, but not required.

It is the student’s responsibility to become familiar with and to complete all requirements for the program.
