

Course-Embedded Data Collection Process

Case Study, Lesson Plan, Technology Assignment, Observation, Digital Self-Study, and Dispositions

If you have questions about assessment and/or accreditation, please reach out to Dr. Elizabeth Hopkins (Elizabeth.hopkins@wayne.edu).

If you have questions about submitting data via Qualtrics, please reach out to Karin Abel (ac1548@wayne.edu).

Please consult the [data collection point chart](#) for more information about course-embedded assessments.

**Clinical Coaches receive data collection information from the Office of Clinical Experiences.
