

Kinesiology and Health Curriculum Guide: Level 1 (Major Code: PKIN, PHE)

Physical Education (Pedagogy) Concentration

A major in Kinesiology with concentration in Physical Education (Pedagogy) is attached to a Michigan Secondary Teaching Certificate for students seeking careers in teaching Physical Education in grades K-12. Students are required to have an additional minor for teaching in grades 6-12 (see pages 5-8).

School Health Concentration

A major in Health Education with concentration in School Health is attached to a Michigan Secondary Teaching Certificate for students seeking careers in teaching Health Education in grades 6-12. Students are required to have an additional minor for teaching in grades 6-12 (see pages 5-8).

Secondary Education

The program for Secondary Education consists of University General Education Requirements (Competency Requirements and Group Requirements), College Requirements, a teaching major, a teaching minor, and a sequence of professional education courses including one semester of pre-student teaching and one semester of student teaching. Physical Education majors will have an additional semester of student teaching to meet the requirements for K-12 certification in the major. The policy of the College of Education is to provide teaching experiences in both an urban and a suburban setting.

College of Education Level 1: Completing University & College Requirements

Admission to the College of Education is based on two levels. Students are directly admitted to the College of Education Level 1 from high school or another institution of higher learning by completing an admission application to the University, selection of a College of Education program on the admission application, and acceptance to Wayne State University. Level 1 students are working to fulfill the requirements found on pages 2 through 4 of this guide, which includes General Education Requirements, College Requirements, and requirements for admission to Level 2. Students in Level 1 also begin taking courses in their teaching major and minor.

College of Education Level 2: Completing the Major and the Professional Education Sequence

Admission to the College of Education Level 2 program requires a separate College application, which is available in Room 489, College of Education or online at http://coe.wayne.edu/2011-2012/l2pbteacherapp_10.2014.pdf. Students complete the Level 2 application when all Level 2 admission requirements have been fulfilled (see page 4). Admission to Level 2 is not competitive. Students meeting all requirements will be admitted. Students in Level 2 complete their major and the Professional Education Sequence.

Important Restrictions

- **No grade below a "C" may be used to meet College Requirements or courses in the major, minor, and the Professional Education Sequence. Note: All students must receive a "C" or higher in Basic and Intermediate Composition if these requirements are completed or transferred in Fall 2008 or thereafter. A grade of "C-" is not acceptable.**
- **Not more than 64 semester hours from a two-year school or schools will apply toward graduation.**
- **This curriculum guide is subject to change based on WSU start date.**
