

**WAYNE STATE UNIVERSITY
COLLEGE OF EDUCATION**

DIVISION:	Kinesiology, Health and Sport Studies
PROGRAM AREA:	Kinesiology, Health and Sport Studies
COURSE:	KHS 7999 -- Master's Project
CREDIT:	3 Hours
PREREQUISITES:	Completion of at least twenty-two credit hours toward the graduate degree.
DESCRIPTION:	Development and completion of a Master's project under the supervision of the student's advisor.
OBJECTIVES:	<p>The following processes will have been accomplished during the completion of the project:</p> <ol style="list-style-type: none">1. Development of a problem to be solved or topic to be investigated in depth.2. Design of problem solving technique appropriate for the topic.3. Presentation of a proposal or "concept paper" to the advisor.4. Collection of relevant materials or data.5. Statistical analysis of the data, if appropriate.6. Presentation of results to the advisor.7. Communication of all processes and results in an appropriate, professionally acceptable format (e.g., written, video, slides/photographs).
GRADING:	Upon completion of all requirements, the student may be asked to make an oral presentation of the project. This presentation will be open to all interested persons. The advisor will assign a grade of "S" (Satisfactory) or "U" (Unsatisfactory) to the completed project. Until all requirements have been fulfilled, a deferred grade of "Y" will be recorded.
STUDENT RESPONSIBILITIES:	<p>The student should select a faculty member to serve as an advisor based on the faculty member's ability to assist the student in a particular area of research and the faculty member's willingness to serve as the student's advisor. The project advisor need not be the assigned curriculum advisor, but must be a full-time graduate faculty member.</p> <p style="text-align:center">The student is expected to work closely with their faculty advisor during all phases of the project.</p>
