“Note: One of the reasons for this strict attendance policy reflects that fact that classes of this type are largely participatory—the outcomes are essentially equivalent to the process. Given the nature of the subject, successful completion of activity courses of this kind requires regular attendance and full participation.” Regular attendance and participation is necessary in order to improve aerobic fitness. There will be an attendance sheet for each class. It is the responsibility of the student to sign the attendance sheet each day. If a student does not sign the attendance sheet, but still attends class, they will not be given credit for that day. Being late is considered any time after the scheduled start of class. Leaving early is considered leaving anytime before the scheduled end of class without my permission. Not participating is considered not being engaged in discussions, not exercising, etc.

a. Three points earned for each class student attends and participates
b. Two points earned for each class student is late or leaves early and participates (arrives 10 min. late or leaves 10 min. early)
c. Zero points will be earned when the student is absent from class.

This attendance point system begins on the first day of class.

ACADEMIC DISHONESTY/PLAGIARISM:
The College of Education has a “zero tolerance” approach to plagiarism and other forms of academic dishonesty. (See Student Code of Conduct http://doso.wayne.edu/assets/student-code-of-conduct-brochure.pdf). Plagiarism includes copying material (any more than 5 consecutive words) from outside texts or presenting outside information as if it were your own by not crediting authors through citations. It can be deliberate or unintended. Specific examples of academic dishonesty, including what constitutes plagiarism, can be found in the University’s Undergraduate Bulletin (http://bulletins.wayne.edu/ubk-output/index.html) and Graduate Catalog (http://www.bulletins.wayne.edu/gbk-output/index.html) under the heading “Student Ethics.” These university policies are also included as a link on Blackboard within each course in which students are enrolled. It is every student’s responsibility to read these documents to be aware which actions are defined as plagiarism and academic dishonesty. Sanctions could include failure in the course involved, probation and expulsion, so students are advised to think carefully and thoroughly, ask for help from instructors if it is needed, and make smart decisions about their academic work.

WITHDRAWAL POLICY:
It is the student’s responsibility to request withdrawal from class. After the fifth week students may make their request on Pipeline, and their instructor will need to approve it.

There are three options:
WP - Withdrawal with a passing grade earned to date.
WF - Withdrawal with a failing grade earned to date
WN - Withdrawal never attended or no graded work to date.

MEDICAL WITHDRAWAL:
A student who sustains, during the course of the semester, an injury or illness that prevents him/her from further participation in this class may apply for a “(partial) medical withdrawal” and may receive complete or partial reimbursement of tuition paid for this class. A physician’s statement is required. Forms to use to apply for “medical withdrawal” may be obtained from the Registrar, or from www.wayne.edu (type in “forms and instructions” in the search box).

RELIGIOUS OBSERVANCE POLICY:
Because of the extraordinary variety affiliations represented in the university student body and staff, the Wayne State University calendar makes no provision for religious holidays. It is university policy, however, to respect the faith and religious obligations of the individual. Students who find that their classes or examinations involve conflicts with their religious observances are expected to notify their instructors well in advance so that alternative arrangements as suitable as possible may be worked out.
In the LFA program, each class allows for a certain number of make-up classes. Since attendance and participation are a substantial part of the evaluation, students will have to take this into account with the total number of make-ups allowed for that particular LFA class.

STUDENTS WITH DISABILITIES:
Wayne State University is committed to providing students with disabilities an equal opportunity to benefit from its programs, services, and activities. All printed materials are available in alternative formats. Please request alternative format materials from the instructor of the course. If the limitations imposed by your disability interfere with your ability to fulfill the requirements for the successful completion of this course, you are strongly encouraged to contact Student Disability Services (SDS) in room 5155 Gullen Mall/1600 UGL to request an accommodation.

Website: www.studentdisability.wayne.edu
SDS Telephone Numbers: VOICE 313-577-1851 or TDD 313-577-3365.

LFA ADD POLICY:
The university permits students to add (provided the classes are not filled) and drop classes the first week of the semester without instructor or departmental signatures. The KHS division will permit students to enroll in the LFA courses through the second week of the semester with the permission and signature of the instructor as well as completion of the Registrar's form titled Add/Drop Class After Deadline Date. Overrides will be made through the KHS division office, room 2152 FAB, once the official form has been completed. There will be no students admitted to LFA classes AFTER the second week of the semester.

CLASS POLICIES:
1. A maximum of five make-ups will be allowed during the semester. These classes can be made up in the other basketball class offered at the university, within fourteen days of the missed scheduled class. There will be NO make-ups allowed the last week of the semester! These CANNOT be made up in another registered class!

2. Clothing – T-Shirts and shorts are recommended. Clothing should be non-restrictive.

3. Athletic shoes are required in the gymnasium. No black-soled shoes will be allowed on the gymnasium floors. Also, please bring a change of shoes from those worn on the street.

4. The division of Kinesiology, Health and Sport Studies (KHS) informs you that participation in physical activity includes the risk of trauma and/or injury. The division of Kinesiology, Health and Sport Studies is NOT responsible for accident or illness which results from participation in class
and requires that no student be allowed to participate in an activity before signing the Statement of Informed Consent and Release of Claims form.
