

Wayne State University
Division of Kinesiology, Health and Sport Studies
Physical Education Pedagogy Program

Statement of Student Requirements

1. Students must meet with their assigned PE faculty adviser at least one time each academic year.
2. Students must earn a "C" or better in **all** major and minor coursework (including BIO 2870).
3. Undergraduate students must be admitted into **Level 2** status (unconditionally) before enrolling in **Level 2** courses (see **Level 2** admission requirement contract).
4. Students must take **all** three content courses (KIN 3610/6610, KIN 3620/6620, and KIN 3630/6630) **before** enrolling in any of the methods courses (KIN 4440/7440, KIN 4450/7450, and KIN 4460/7460).
5. PE students must seek all required over-rides into courses from their faculty advisor, **not** course instructors.
6. Over the course of the teacher certification program, students will spend up to 10 full days observing and support teaching in K-12 schools prior to student teaching (if a PE major) or obtaining a PE endorsement (if a PE minor).
7. Students may only register for the Michigan Test for Teacher Certification (MTTC) physical education exam when they are near completing their **last of the three** methods courses (e.g., KIN 4440/7440, KIN 4450/7450, or KIN 4460/7460).
8. Students **may not** begin student teaching until they have successfully completed **all** major coursework and **the majority** of their minor coursework, and successfully passed their major and minor MTTC exams.
9. Students may begin student teaching placements **only** during fall terms at the elementary level. Students are **not** allowed to begin student teaching during winter terms.
10. Students may perform one (not both) of their student teaching placements in an "on-the-job" capacity **only if**: (a) they have been employed in their full time teaching post for three full years, (b) adequate mentoring is available at the home school, and (c) the program advisor deems the student to have excelled in all other phases of the program.
11. Students must apply to graduate online during the first month of the semester in which they intend to graduate (e.g., apply to graduate in January if graduating in May).
