## Annual ART Scholarship Award Program

### 2017-2018 Joyce Mason Memorial Scholarship

**Swords into Plowshares has established an annual scholarship for new (*or current*) College students who are pursuing the study of art in its many forms (typically in a visual form such as painting, sculpture, pottery, weaving, etc).**

The requirements of the scholarship are as follows:

- Students should be graduates of high school and accepted into a College program and actively pursuing the **study of art**.
- The recipient may use the scholarship funds for tuition at a college or university. All scholarship funds will be paid directly to the college or university.
- Half of the scholarship will be paid at the start of the first semester (or term or quarter) and half will be paid at the start of the second semester (or term or quarter), provided that the student demonstrates satisfactory academic performance.
- The recipient agrees to provide SIP with a copy of first semester grades to determine eligibility to receive the second half of the scholarship.
- This is a one-year scholarship. However, a recipient who is not on academic probation and is making satisfactory progress toward completion of a degree may reapply for scholarship renewal. However, priority will be given to new applicants. The student is required to submit a completed application for each year the scholarship is requested.
