Elementary Education Curriculum Guide: Level 1

Effective: June 1, 2010 through May 31, 2011

This guide is for undergraduate students majoring in Elementary Education. If you began at WSU prior to Fall 2007, please consult with an advisor.

Elementary Education

The Elementary Education program leads to a Michigan Elementary Provisional Teaching Certificate and has two options.

Option 1 (Core Subject Option) leads to Elementary Certification for teaching all subjects in grades K-5; major and minor subjects in grades 6-8; and all subjects in grades K-8 in a self-contained classroom. Option 1 majors include: Integrated Science, Language Arts, Mathematics, and Social Studies. A student may also elect to pursue a Two-Minor Option including completion of two minors and the Planned Program.

Option 2 (Comprehensive Major Option) leads to Elementary Certification for teaching all subjects in grades K-5; and all subjects in grades K-8 in a self-contained classroom. Option 2 includes a choice of a student-centered major in Special Education (Cognitive Impairment), minors in Bilingual-Bicultural Education, Early Childhood Education, English as a Second Language, and majors/minors in World Languages. A Special Education student will be certified to teach in grades K-12 in the major. A Bilingual-Bicultural Education student will be certified to teach in grades K-8 in the minor. An Early Childhood Education student will be certified to teach Pre-K-K in the minor. An English as a Second Language student will be certified to teach in grades K-8 in the minor. A World Languages student will be certified to teach in grades 6-8 in the major/minor. K-12 certification in World Languages is also available. NOTE: Special Education students should not follow this guide. See advisor for appropriate curriculum guide.

The program for Elementary Education consists of University General Education Requirements (Competency Requirements and Group Requirements), College Requirements (the Elementary Planned Program or Comprehensive Major), a teaching major or student-centered major or minor, and a sequence of professional education courses including semesters of pre-student teaching and student teaching. The policy of the College of Education is to provide field experiences in both an urban and a suburban setting.

College of Education Level 1: Completing University & College Requirements

Admission to the College of Education is based on two levels. Students are directly admitted to the College of Education Level 1 from high school or another institution of higher learning by completing an admission application to the University, selection of a College of Education program on the admission application, and acceptance to Wayne State University. Level 1 students are working to fulfill the requirements found on pages 2 through 5 of this guide, which includes General Education Requirements, College Requirements (the Elementary Planned Program or Comprehensive Major), a teaching major or student-centered major or minor, and a sequence of professional education courses including semesters of pre-student teaching and student teaching. The policy of the College of Education is to provide field experiences in both an urban and a suburban setting.

College of Education Level 2: The Professional Education Sequence

Admission to the College of Education Level 2 program requires a separate College application, which is available in Room 469, College of Education or online at http://www.coe.wayne.edu/AS/Admissions.html. Students complete the Level 2 application when all Level 2 admission requirements have been fulfilled (see page 5). Admission to Level 2 is not competitive. Students meeting all requirements will be admitted. Students in Level 2 have access to the Professional Education Sequence (see page 12). The Professional Education Sequence may be completed in two years and most students begin Level 2 during their junior year. The Professional Education Sequence for students in the Early Childhood and Special Education program will require an additional semester to complete a second student teaching experience.

Students majoring in Special Education are not to follow this guide. Please consult the appropriate curriculum guide for your major.

University Group Requirements

In meeting group requirements, please note that a given Subject Area Code (e.g. ANT, HIS, PS, etc.) may not be used more than twice, that a course must be at least three semester hours to meet the requirement, and that courses may not be taken on a Passed/Not Passed basis.

Where a choice among courses is possible to meet Competency Requirements, Group Requirements, and College Requirements, the College of Education recommends those courses that would also fulfill a requirement for a major or minor in that subject. Group requirements for Life Science, Historical Studies, Basic Social Science, and American Institutions are fulfilled by the Planned Minor/Comprehensive Major listed on page 4.

- ECO 2010 Principles of Microeconomics* (SS) ........ 3-4
- ECO 2020 Principles of Macroeconomics* (SS) ........ 3-4

* Some courses in History and Economics are offered for 3 or 4 credits. Please verify that your total credits meet the required minimum 36 credit hours for the Social Studies major. One of the courses identified with an asterisk must be completed for 4 credits.

---

**NOTE:** Some General Education Requirements and Planned Program courses are found within the teaching major.
### FOREIGN LANGUAGE

- **Courses lower than 3000 will not be counted for a major in Foreign Language.** Computation of the major includes only those courses taken in college beginning at the 3000 level. The courses must include grammar, literature, culture, and conversation. Courses taught in English about the culture or language will not apply. Students may be required to complete lower level courses as prerequisites to courses at the 3000 level or above.

- **Students who major in a language are advised to minor in English or in a second foreign language.**

- **Completion of Foreign Language courses is not sufficient for teacher certification.** Students must score at the Advanced Low Level in French, Italian, or Spanish, or at the Intermediate High Level in Chinese as measured by the Oral Proficiency Interview (OPI) from the American Council on the Teaching of Foreign Languages and pass the Michigan Test for Teacher Certification in the appropriate subject area. For more information about the OPI, please visit the following website: https://testing.wayne.edu/app/testinfo.cfm?eid=TEOPI

- **Dr. Marc Rosa is the College of Education Program Coordinator for Foreign Language.** Dr. Rosa may be contacted at (313) 577-0902 or through e-mail at ae4976@wayne.edu.

Important Information for Education Students

Please Read

► Important Restrictions

• No grade below a “C” may be used to meet College Requirements or courses in the major, minor, and the Professional Education Sequence. Note: All students must receive a “C” or higher in Basic and Intermediate Composition if these requirements are completed or transferred in Fall 2008 or thereafter. A grade of “C-” is not acceptable.

• Not more than 64 semester hours from a two-year school or schools will apply toward graduation.

► Level 1 Advising

To determine your progress in meeting University Requirements, College Requirements, and Admission Requirements for Level 2, please see your College of Education Advisor in Academic Services.

The Division of Academic Services in Room 469, College of Education has walk-in advising each Tuesday from 9:00 am to 4:00 pm. If you arrive by 4:00 pm, you are guaranteed to see an advisor.

To schedule an advising appointment for another day, please call (313) 577-1601.

► Honors Program: For information on the Honors Program, please contact Liza Lagman Sperl, Academic Advisor at (313) 577-3030 or through e-mail at ab8898@wayne.edu. The Honors Program is located in 2100 Undergraduate Library.

► PUBLIC ACT 96 of 1995: It is a criminal offense to use, or attempt to use, a college or university transcript that is fraudulently obtained, or forged, or to use other fraudulent credentials to obtain a teacher, school administrator, or school psychologist certificate or to obtain State Board approval.

► PUBLIC ACT 335 of 1993 Sec. 1531b. Effective July 1, 1995: Applicants to the teacher certification program must demonstrate successful group work with children. Documentation of this group work is required to enter the Teacher Certification Program. A total of 40 hours of successful group work with children is required. The State defines a group as three (3) or more children (not your own) between the ages of 3 and 18. Students are reminded to find a group work experience that is compatible to the age group they plan to teach. The group work experience needs to be recent (within the last 5 years) at the time of admission to the teacher certification program.

Some examples of group work include: Camp counselor, group tutor, playground director, religious teacher, scout leader, substitute teacher, teacher assistant, team coach or youth leader.

► PUBLIC ACT 68 of 1993 Sec. 1230: This act requires public and non public schools to conduct a criminal history check of new teachers, school administrators, school psychologists and other personnel required to hold State Board of Education approvals. Students interested in becoming certified teachers must supply a statewide criminal history check prior to admission to the College of Education and again prior to applying for certification.

If you have criminal background issues, please provide a narrative describing the incident(s) from your perspective for review by a committee in the College of Education. If you do not provide this information at the time of application, your admission/certification will be delayed.

• Have you ever been convicted of a felony?
• Have you ever been convicted of any other offense?
• Have you ever had a professional license or certification denied, suspended (for cause) or revoked?

A criminal history check, by name, without fingerprints may be accessed for a fee at http://apps.michigan.gov/ICHAT/

Any person seeking admission to a teacher certification program who has been convicted of any offense must provide certified copies of all documents relative to his/her conviction, including a "Judgment of Sentence". This document may be obtained from the court where the matter was adjudicated. After review by the College of Education Committee, the applicant will be notified in writing of the Committee’s decision.

Note: The State Board of Education may refuse to grant a teaching certificate to an applicant convicted, as an adult, of an act of immoral conduct contributing to the delinquency of a child, or a felony conviction.

► PUBLIC ACT 18 of 2003 Sec. 1531d.: This act states that "beginning July 1, 2004, the superintendent of public instruction shall not issue an initial teaching certificate to a person unless the person presents evidence satisfactory to the superintendent of public instruction that the person meets the following: Has successfully completed a course approved by the department in first aid and cardiopulmonary resuscitation… and holds valid certification in these topics issued by one of the following organizations approved by the department [Michigan Department of Education]:"

American Heart Association • American Red Cross • American Safety and Health Institute • Emergency Care & Safety Institute
Lansing Area Safety Council • Medic First Aid • Safety Council of Southeast Michigan

Students must submit the following documentation to the College of Education when applying for teacher certification (all of the following must be current):

Certification in Adult CPR • Certification in Child CPR • Certification in First Aid

Certification in automated external defibrillation (AED) is recommended, but not required.

► It is the student's responsibility to become familiar with and to complete all requirements for the program.
