Faculty Dispositions Survey

You must rate each student in the course for dispositions. If a student is rated Exemplary or Concerning, you must also provide evidence in the form of a narrative. The narrative box allows for 2,500 characters. You may cut and paste into the evidence box or you may enter text directly.

In writing the narrative, please refer to the [Self-Assessment form](#) and include information on **Learning Attitude, Interpersonal Skills and Collaboration, Professionalism, Communication Skills, and Higher Level Thinking Skills.**

Should your narrative be longer than 2,500 characters, please send your narrative to Karin Abel at ac1548@wayne.edu. If you have any technical issues in completing the survey, contact Karin Abel at ac1548@wayne.edu.
